

Endorsement

If the proposed Chair, or Program Director, of a new Applicant Group is not currently a teacher or administrator at a Participating School, or in a school system that includes a Participating School, that Chair, or Program Director, must be endorsed for this position by a person who is currently employed as a teacher or administrator at a Participating School or in a school system that includes a Participating School.

If required, this Form must be signed, and enclosed with a mailed Charter Application.
